DETAILED ACTION

1. The request filed on 7/24/01 for a Continued Prosecution Application (CPA) under 37 CFR 1.53(d) based on parent Application No. 09/096749 is acceptable and a CPA has been established. An action on the CPA follows.
2. Claims 1-6 are pending and under examination.
3. The text of those sections of title 35, USC Code not included on the Office Action can be found in a prior Office Action.
4. The response filed 7/24/01 as paper #20 has been considered carefully but is deemed not persuasive because the rejections and objections have not been adequately addressed either by claim amendment or by argument.

Information Disclosure Statement

5. The IDS filed 7/24/01 as paper # 19 has been considered, however, the reference of Holm et al, Science 273:595-60, has not been considered because the reference was not provided and the reference is incomplete because it lacks a date.

Response to Arguments

7. The rejection of claims 1-6 are rejected under 35 U.S.C. 103(a) as being unpatentable over Main et al (Cell 71:671-678, 1992, IDS #5 and further in view of Lee et al (Protein Engineering 6:745-754, 1993, IDS # 8) is maintained for reasons of record.

Conclusions

9. No Claims are allowed.

10. This is a CPA of applicant's earlier Application No. 09/096749. All claims are drawn to the same invention claimed in the earlier application and could have been finally rejected on the grounds and art of record in the next Office action if they had been entered in the earlier application. Accordingly, **THIS ACTION IS MADE FINAL** even though it is a first action in this case. See MPEP § 706.07(b). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no, however, event will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
